Proceedings of the Madras Government, Financial Department,
31st August 1873.

No. 226. Read the following letter from D. BARBOUR, Esq., Officiating Under Secretary to the Government of India, Financial Department, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Simla, 23rd October 1872 No. 3769 :—

In reply to your letter, No. 1234 the 17th September 1872, I am directed to state that the introduction cheme of Provincial Services does not prevent the Government of India from prescribing a general scale of remuneration, as it has done in the case of Station Staff Surgeons. I am also to point out that the allowance of Rupees 30 a-month is payable to a Station Staff Surgeon when employed to perform Civil Medical duties. It is not obligatory on the Local Government to employ such an officer, but if it does, it should pay for his services at the rate laid down by the Government of India.
