No. 3. Read the following Proceedings of the Board of Revenue, dated 26th August 1873, No. 1657 :—

Read the following letter from H. E. SULLIVAN, Esq., President of the Local Fund Boards, South Arcot District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Oolundoorpet, 28th July 1873, No. 259 :—

In submitting for sanction plan and estimate, amounting to Rupees 7,300, for the construction of a choultry at Tindevanum, approved by the Cuddalore Board in their resolution (copy enclosed), No. 15, dated 24th instant, I have the honour to state that Tindevanum being a place where a number of roads meet many travellers halt there, and at present there is no accommodation whatever for them except a small dirty chuttrum at the extreme north end of the town to which no person of decent position will resort. The site will be chosen with due regard to the convenience of passengers by railway. I request that the amount may be placed at the disposal of the Public Works Department from the unappropriated balance of the General Fund for last year.

2. The town of Tindevanum stands much in need of improvement, and at the last meeting of the members an estimate of Rupees 4,000, for raising and metalling the streets, constructing tunnels, &c., was unanimously passed. It is requested that an allotment of Rupees 2,000 from the unappropriated last year's balance of the General Fund may be placed at the disposal of the Department of Public Works.

3. A copy of the resolution on the subject, together with sketch and estimate, is herein enclosed.

Enclosures Nos. 1 and 2.—Plans.

Enclosures Nos. 3 and 4.—Estimates.

Enclosures Nos. 5 and 6.—Extracts from Proceedings of Local Fund Board.

The plan and estimate for constructing a choultry at Tindevanum, at a cost of Rupees 7,300, will be submitted for the sanction of Government.

2. From the plan it would seem that accommodation is provided for all castes and races, but the President will report definitely on this point.

3. The estimate for improving the drainage, constructing tunnels, and gravelling streets at Tindevanum, at a cost of Rupees 4,000, is sanctioned. Rupees 2,000 is allotted for expenditure this year from the balance of the General Fund of the Cuddalore Circle, and the Accountant-General is requested to place that amount at the disposal of the Public Works Department.
