No. 15. Read the following Proceedings of the Board of Revenue, dated 13th June 1873, No. 995:—

Read the following letter from W. LOGAN, Esq., Acting President of the Local Fund Boards, Malabar, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Calicut, 10th April 1873, No. 33:—

With reference to the Board's Proceedings, dated 20th December 1871, No. 5110, I have the honour to forward revised lists of charitable institutions, the management of which has been assumed by the Local Fund Boards of Calicut and Tellicherry Circles.

2. With regard to paragraph 3 of the Proceedings, I have the honour to inform the Board that the subject of building market places and keeping them up will be brought before the Local Fund Board as soon as possible.

3. As regards Chullimada Chavadi it appears that the party by whom it was built neglected the building about twenty years ago, and ever since that time the repairs to it were carried out at the expense of public funds, and the Government claim to it is the undisputed possession for many years.

4. With regard to paragraph 4, I have the honour to observe that the wells therein alluded to were included in the original list, because they were built from Local Funds for the use of the public attending the Cutcherries concerned; but with reference to the Revenue Board's remarks contained in the above paragraph, the management of the wells in question will not be assumed by the Local Fund Board.
