(Signed) W. HUDLESTON,
Chief Secretary.

No. 24. From G. VANSAGNEW, Esq., Collector of Nellore, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Nellore, 1st September 1873, No. 1982.

In returning the District Engineer's letter to the Secretary to Government, Public Works Department, I have the honour to state that the list of buildings and the proposals for their transfer were drawn up by Mr. R. Smith in consultation with me.

2. The Travellers' Bungalows and Soldiers' Sheds attached are already the property of the Local Fund Board, and Mr. Smith only wanted formal sanction to strike them out of his Departmental List.

3. The old Munsif's Court-house at Gudur has, since the transfer of the Munsif, been for some years in the occupation of the Police. The new station-house is, however, about completed, and I would request the Government to make over the old building to the Local Fund Board for the use of the Anglo-Vernacular School.

4. The choultry at Kadirinenipalli is a ruinous sort of tiled shed near the foot of the Dorenal Pass. If made over to the Local Fund Board, they will repair it and render it of much use to the public.

5. The old Munsif's Court at Naidupett was formally made over to the Local Fund Board in G.O., No. 1159, dated 2nd September 1872.

6. The Musafarkhana or Choultry at Allur has been thoroughly repaired by the Local Fund Board, and I request that it may be formally made over to them.

7. The old Police Tannahs in Nellore Town have been kept in repair by the Municipality ever since its introduction, and used as choultries or rest-houses. The one near the Civil Dispensary has just been pulled down to make way for the new dead-house. The others should be formally transferred to the Municipal Commissioners, but for whom they would long ago have been in ruins.

8. The Civil Dispensary is the property of the Municipal Commissioners.

9. The last two items on the list are the Branch Dispensary and the Lungerkhana, but, as far as the Public Works Department List is concerned, these represent only one building. When I came to Nellore both institutions were located in one of the old military buildings in the Cutcherry square. Since then a separate building has been purchased for the Branch Dispensary, and the whole of the old military building has been devoted to the accommodation of the poor. The number of resident paupers is about forty. The building is now under thorough repair at a cost of about Rupees 800 provided by the Municipal Commissioners from the Lungerkhana Fund, of which they have been constituted Trustees. Government are requested to transfer this building formally to them.
