Proceedings of the Madras Government, Financial Department, 17th September 1873.

No. 89. Read the following Proceedings of the Board of Revenue, dated 10th September 1873, No. 5859 (Miscellaneous) :—

From G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Nellore, 13th August 1873, No. 649.

The District Engineer in his letters, Nos. 2025 and 32, of 30th June, 22nd July, and 8th August, respectively, applies for an additional allotment of Rupees 1,500 to what has already been allotted in the Budget for 1873-74 (Rupees 1,360) for tools and plant, pointing out that the cost may be met from the savings expected from the allotment of Rupees 2,884* for the road from Nellore to the Dorenal Pass. The grounds of the application for the additional grant required in excess of the usual allotment of one per cent. are explained in the last of the letters quoted (copy enclosed).

* Board's Procs., No. 1303, of 16th July 1873. *Vide* Statement of Incomplete Works, Item 7.

2. I have the honour to request that the necessary transfer may be authorized at an early date from the source pointed out.

From R. SMITH, Esq., District Engineer, Nellore, to G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, dated Jejipett, 8th August 1873, No. 32.

I have the honour to inform you, with reference to your No. 618 of 28th ultimo, that an additional grant, under the head "Tools and Plant," is wanted to pay for wheel-barrows that were urgently required and supplied from the General Stores a short time ago. An allotment of one per cent. is ample for ordinary expenditure, but when special articles are required an additional grant is absolutely necessary to cover the extra outlay.

2. Annexed is a statement showing the sums granted for works and for tools and plant for the current year :—

For Works.	Sums granted.
	RS.
Road Fund	1,65,883
General Fund	36,153
Total ...	2,02,036
For Tools and Plant.

Total ...	1,370

Submitted for the sanction of Government, as the proposal contained in the foregoing letter involves transfer of funds from one major head to another in the Road Fund Budget.
