Proceedings of the Madras Government, Financial Department,
19th September 1873.

No. 115. Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Palmanair, 11th September 1873, No. 59 :—

With reference to the Orders of Government, dated 5th August last, No. 1101, I have the honour to submit that the compounder and watchman are required for general service in the Civil Dispensary, and that the toty alone is required exclusively for the high-caste ward.

2. As to the necessity of this additional establishment, I beg to state that, at a meeting of the Local Fund Board held on the 10th June last, the Civil Surgeon of Chittoor brought to the notice of the Board that, in consequence of the heavy work caused by the daily attendances of a very large number of in and out patients, an additional compounder was very much needed, to attend properly to the prescriptions without inconvenience to the patients ; that the single peon now employed having to leave the hospital frequently to deliver letters, &c., and attend to various other general duties connected with the dispensary, he could not be called upon at the same time also to keep order among the out-patients and to watch the building and property ; he, moreover, has to be absent at home for a certain time each day for his meals, and he also requires to sleep ; it was, therefore, absolutely necessary to have a watchman to aid him in the performance of his duties. The high-caste ward being a detached building situated at some little distance from the dispensary, the services of a toty there are frequently required. The toty attached to the hospital constantly has a great deal of work to attend to, and he cannot possibly be expected to do duty at the same time at the high-caste ward.

3. The Local Fund Board, having recognized the necessity of these wants, have resolved to solicit the sanction of Government for the entertainment of the additional establishment, and, with regard to the explanation now afforded, I request that Government will be pleased to sanction it.

No. 116. ORDER THEREON, 19th September 1873, No. 1333.

Under the explanation now afforded, the Governor in Council sanctions the employment of the additional establishment at the Chittoor Dispensary.
