Proceedings of the Madras Government, Financial Department,
19*th September* 1873.

No. 123. Read the following Proceedings of the Board of Revenue, dated 12th September 1873, No. 5908 (Miscellaneous):—

Read the following letter from H. E. SULLIVAN, Esq., President of the Local Fund Boards, South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 5th August 1873, No. 266:—

In submitting, herewith, for sanction, three estimates for the works noted in the margin, I have the honour to state that the Local Fund Board of the Virdachellum Circle, considering the large contribution paid to the Public Works Department on account of supervision, thought it proper in Resolution, No. 6, of the 30th ultimo, to pass the estimates, less the charges made in them on account of superintendence.

	Rs.
Metalling the 9th, 12th, 13th, and 14th miles of the road from Virdachellum to Sathiatope	11,550
Metalling the 7th mile of the road from Virdachellum to Trunk Road No. 8 by Tittagoody	2,000
Metalling the 8th, 9th, and 10th miles of the road from Virdachellum to Oolundoorpett	2,500

2. These works appear in Part I. of Statement II.-A of the current year's Original Budget, and the necessity for them has been shown in paragraph 6 of Mr. Lister's letter, No. 114, dated 3rd October 1872, covering the current year's Original Budget.

The charge of two-and-a-half per cent. for petty superintendence is, in the Board's opinion, legitimate. The second and third estimates are sanctioned in full, and the first is submitted for the sanction of Government.

2. The full sums required for all these works are provided in the Budget of the Virdachellum Circle for the current year.
