Proceedings of the Madras Government, Financial Department,
19th September 1873.

No. 125. Read the following Proceedings of the Board of Revenue, dated 10th September 1873, No. 1790 :—

Read the following letter from W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 29th August 1873, No. 67 :—

I HAVE the honour to submit for sanction the enclosed plan and an estimate, amounting to Rupees 8,700, for constructing a choultry at Jagannadhagiri on the road from Cocanada to Kotipally.

2. Jagannadhagiri is half-way between Cocanada and Kotipally, a distance of about 24 miles, and is a halting place for a great number of travellers coming from the east to Kotipally which is a scene of an important pilgrimage.

3. The Tahsildar of Ramachendrapur, who is a member of the Local Fund Board, and who is well aware of the trouble experienced by the travellers from want of shelter at that place, has urged the necessity of furnishing some accommodation for travellers of all classes.

4. The District Engineer, who was also present at the meeting of the Local Fund Board of the Cocanada Circle on the 12th instant, was of opinion that this choultry is quite necessary, and the Local Fund Board have resolved to submit the design for sanction.

5. The design is proposed according to the Revenue Board's standard plan for all classes of the people.

6. I therefore request that the sanction of Government may be obtained at an early date to the enclosed estimate, as the cost of the same can be met from the provision of Rupees 20,500 made in the current year's budget under Grant I. "Sanitary and Miscellaneous."

THE estimate will be submitted for the sanction of Government.

2. When the chuttrum is completed the Collector should apply for an endowment for it under the rules.
