No. 130. To the Secretary to the Government of India, Financial Department, dated Ootacamund, 20th September 1873, No. 1341.

Referring to the Order of the Government of India, dated the 31st July 1873, No. 2003, I am directed to state that there is only one Lock Hospital in this Presidency connected with the Civil Department, viz., that in Madras Town, the cost of which is shared between Provincial and Municipal Funds.

2. The rate of remuneration proposed by the Government of India for a medical subordinate when in medical charge of a Lock Hospital appears reasonable, but I am directed to state that this Government do not think it advisable that an absolute rule should be laid down at the suggestion of the Government of India respecting a charge which falls entirely upon Provincial Funds.
