Proceedings of the Madras Government, Financial Department,
26th September 1873.

Read Budget Estimate of the Assay Office, dated 19th September 1873.

No. 171. ORDER THEREON, 26th September 1873, No. 1367.

The Budget Estimate of Charges of the Assay Department for 1874-75 amounts to Rupees 3,800 against Rupees 3,343, the actuals for 1872-73, and Rupees 3,800, the grant for the current year.

2. Four out of the five items relate to fixed salaries, and do not admit of change. The fifth item is Rupees 500 for contingencies. The actuals for 1872-73, however, did not exceed Rupees 43, and the necessity for retaining in the estimate for 1874-75 so large a provision as Rupees 500 is not apparent.

3. The actuals for four months of the current year amount to Rupees 1,778-5-3, at which rate the charge for 1873-74 may be assumed at Rupees 3,557, or Rupees 243 less than the grant.

4. Under these circumstances, the Governor in Council directs that the allotment for contingencies in 1874-75 be fixed at Rupees 300, and the total charge for the year reduced to Rupees 3,600.
