Proceedings of the Madras Government, Financial Department,
26th September 1873.

No. 180. Read the following Circular from H. A. MANGLES, Esq., Officiating Comptroller-General, to all Accountants-General, dated Calcutta, 10th September 1873, No. 158:—

In paragraphs 5 and 6 of Circular, No. 151, issued from the Money Order Branch of this Office, under date 21st September 1872, to Treasury Officers under your control, it was ruled that the details of transactions of the Overland Money Order system were to be kept separate from those of the Inland Money Order Department, and that lump sums only on account of these transactions were to be shown at foot of the weekly accounts of Inland Money Orders. It was further ordered that copies of the separate registers of receipts and payments kept by Treasury Officers should be submitted weekly to the Head Office at Calcutta.

2. As, however, transactions on account of Overland Money Orders are finally adjusted at Bombay, I have to request that you will instruct the Treasury Officers in your Presidency (Province) to omit, in future, from their weekly accounts rendered to the Calcutta Office, the receipts and payments on account of Overland Money Orders, and to discontinue the transmission to that office of copies of their registers of receipts and payments, which should, in future, be forwarded direct to the Accountant-General's Office at Bombay, paid orders being attached as vouchers to the list of payments.

3. The above registers will be audited at Bombay and checked with the monthly statements of issues and payments of Overland Money Orders now rendered by you to the Accountant-General at that Presidency.
