*Proceedings of the Madras Government, Financial Department,*
*29th January* 1873.

No. 164. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 18th January 1873, No. 610 :—

Book Department

With reference to the Proceedings of Government, No. 1610, of 3rd ultimo, in the Financial Department, I have the honour to state that only the collections of the Commissioner of Police at the Presidency are shown in the column of actual receipts in 1871-72, in the Police Budget Estimate for 1873-74, whereas the amount credited in the accounts submitted by this Office includes also the fees, fines, and forfeitures remitted by Police Officers in the provinces.

2. Under "Expenditure" the difference is mainly due to the fact that this Office at once debits to Police all sums disbursed to that Department. The Inspector-General, however, shows in his estimate in the column of actuals only the amounts audited by him out of moneys drawn for Inspectors and Constabulary contingencies, clothing, &c. Thus, at the close of 1871-72, there was to be adjusted by him a balance of Rupees 86,290 outstanding out of the sums disbursed at the Presidency, by Treasury orders granted to him for clothing, &c.

No. 165. ORDER THEREON, 29th January 1873, No. 137.

Communicated to the Acting Inspector-General of Police, who will, in future, ascertain the actuals from the Accountant-General, and insert them in the Budget Estimate.
