Proceedings of the Madras Government, Financial Department,
26th September 1873.

No. 191. Read the following Proceedings of Government in the Revenue Department, 26th June 1873, No. 162 :—

Read the following Proceedings of the Board of Revenue, dated 4th June 1873, No. 3364 (Miscellaneous):—

From O. B. IRVINE, Esq., Acting Collector of the Chingleput District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Sydapet, 28th May 1873, No. 208.

I have the honour to report that the Cutcherry at Home's Gardens being now pronounced ready for occupation, I propose giving a month's notice to the owner of the building now used as a Cutcherry, and which is rented at Rupees 75 a-month, and, at the expiration of that time, to move the office into the proper building.

2. It has, however, just been brought to my notice that an estimate for Rupees 870, which was prepared long ago for supplying mats and punkahs for the office, and also for providing a Court-room upstairs for the use of the District Magistrate, has not yet been submitted for sanction, but was reserved by Mr. Barlow with the intention of submitting it with an estimate for coach-house and stables which he considered necessary.

3. I have the honour now to forward this estimate for early sanction. There ought to be two Court-rooms, as when there are Assistants in the district it is not unusual for two Magistrates to be sitting at the same time, and the Court-room upstairs could be used by the District Magistrate or his Assistants, the room below being in constant use by the Assistant or Deputy Magistrate. The mats and punkahs make up the rest of the estimate, and the Cutcherry cannot be occupied until these are supplied.

4. I will address the Board in a separate letter about the coach-house and stables above referred to.

The estimate will be submitted for the sanction of Government.

The estimate is sanctioned. The provision of funds will be considered in the Financial Department.
