No. 199. Read the following Proceedings of the Board of Revenue, dated 23rd September 1873, No. 6344 (Miscellaneous) :—

Read the following letter from W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 29th August 1873, No. 68 :—

I have the honour to submit, for sanction, plan, &c., and an estimate, amounting to Rupees 9,600, for constructing an iron lattice girder bridge over Tulliabhaga drain on the road from Ramachendrapur to Bickavolu.

2. The District Engineer has informed me that a bridge of three arches of six feet span was at first proposed at the site of the bridge now proposed, at an estimated cost of Rupees 600; that, on the delta completion project being sanctioned, this drain was ordered to be cleared out as per accompanying section; and that a design for a bridge at this place has to be entirely altered.

3. The Local Fund Board of the Cocanada Circle have, at their meeting on 22nd April 1873, approved of the design, and requested the District Engineer to point out from what item in the current year's budget the amount of this estimate can be taken.

Works.	Estimate.	Allotment in the budget.	Amount given up.

Total ...	...	30,000	9,000

4. The District Engineer has, in his letter, dated the 5th August 1873, proposed to give up a sum of Rupees 9,000 from the allotments on the marginal works, and to transfer this sum to the proposed bridge and to the bridge over Bickavolu drain, to enable him to commence the iron work at once in the Government Workshop.

5. Application* has already been made to the Revenue Board for funds for the bridge on the Bickavolu drain from the Road Fund Reserve of the Cocanada Circle.

* In my letter, No. 48, dated 9th June 1873.

6. Under these circumstances, I request that the sanction of Government may be obtained at an early date to the accompanying estimate and to the transfer of funds as above proposed, as the District Engineer has stated that this drain is a very serious obstacle to all traffic.

The estimate, amounting to Rupees 9,600, is submitted for the sanction of Government.
