Proceedings of the Madras Government, Financial Department,

29th September 1873.

No. 201. Read the following letter from J. C. LOCH, Esq., President of the Municipal Commission, Madras, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 18th September 1873, No. 1114 W.W.:—

His Highness the Maharajah of Vizianagrum has sent to me the sum of Rupees 10,863 for the purpose of erecting an ornamental fountain in Madras, the design of which has been prepared by Mr. Chisholm, the Government Architect.

2. When the Maharajah was last in Madras, he visited several parts of the town in company with Lord Napier, with a view to select a suitable site for his fountain, and I was informed by the latter that they had fixed on three places: the Round Tannah, the open piece of ground between the Mount Road entrance to Government House and the Napier Park, and that in front of Patcheappah's Hall, any one of which would answer the purpose well. The first was preferred by the Maharajah; the last, by His Excellency Lord Napier.

3. The Maharajah, in returning to me the design of the fountain, expresses a wish that His Excellency Lord Hobart should decide where it shall be placed, adding, "I prefer myself the Round Tannah on the Mount Road as it is near Government House." Mr. Chisholm is also in favour of this site, and I have the honour to request that you will be good enough to inform me of the wishes of the Right Honourable the Governor on the subject.

No. 202. ORDER THEREON, 29th September 1873, No. 1390.

The Governor in Council is of opinion that the site now occupied by the Round Tannah on the Mount Road, which is that preferred by the Maharajah of Vizianagrum, will be the most appropriate for the fountain which he proposes to erect, at his own cost, in the Presidency Town.
