FROM

THE HON. W. HUDLESTON,

*Chief Secretary to the Government of Fort St. George,*

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

SIR,

With reference to your Officiating Under Secretary's letter, dated the 19th July 1873, No. 1769, I am directed to state that the assignment of £468 made in the Resolution of the Government of India, Financial Department, dated the 28th March 1871, No. 1659, to Provincial Services is not sufficient to meet the cost of European medicines and stores supplied by the Military to the Civil Department.

2. No provision was made in the Civil estimates for 1870-71 for European medicines and stores, but it will be seen from the annexed Memorandum furnished by the Accountant-General that the net charge against "Provincial Services" was Rupees 43,035 in 1871-72, and Rupees 33,613 in 1872-73.

3. It is not safe to estimate from these figures what sum will be sufficient to cover the cost of medicines and stores in future years, especially when there may be more than usual sickness in the country, and I am, therefore, to request that an assignment of Rupees 45,000 may be added to Provincial Services for the purpose.

I have the honour to be,

Sir,

Your most obedient servant,

OOTACAMUND,  
30th September 1873.
