No. 213. Read the following letter from A. MACGREGOR, Esq., President of the Municipal Commission, Cochin, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Calicut, 17th September 1873, No. 19 :—

I have the honour to forward an extract from a letter from the Vice-President of the Cochin Municipality in connexion with a school lately established there, and to request Government will be pleased to sanction the proposals therein contained.

EXTRACT of a letter from the Vice-President of the Cochin Municipality, dated 29th August 1873, No. 221.

In reference to the G.O., No. 943, dated 8th July 1873, Financial Department, I have the honour to request you will be good enough to submit the following proposal for the sanction of Government.

2. The Commissioners had fixed their own rate of fees for the Municipal School on the understanding that their resolution* on the matter had received the favourable consideration of Government. The fees now levied in the school have thus been since its establishment—

* Dated 2nd September 1872, and letter to the President, No. 60, dated 5th September 1872, embodied in the G.O., No. 1589, dated 28th November 1872, Financial Department.

1 Rupee for the 4th and 3rd Classes.
8 Annas for the 2nd and 1st Classes.
4 ,, for a lower class.
No entrance fee.

3. By the Order above quoted the school is required to adopt the Government rate of fees as prescribed in G.O., No. 170, dated 21st June 1871, Educational Department, for aided schools in the mofussil. The Commissioners, therefore, propose that they be allowed to demand the Government rate of fees from the beginning of the next quarter, that is, from the 1st of October ensuing. This is with the view to prepare the boys for enhanced fees. The regulated entrance fee will also be charged from that date on all boys who may be thenceforth admitted.

4. I beg to be informed whether those boys already admitted should be asked to pay the prescribed entrance fee according to the Government Order. The Commissioners wish, however, to express their desire to exempt them from such fee, as the Commissioners think it is not intended that the Government Order should have retrospective effect.
