Read the following Proceedings of the Madras Government in the Financial Department, dated 26th July 1873, No. 1064 :—

ABSTRACT.—*Ellore Circle.*—Inquiry made with reference to a demand on account of interest on the cost of the Weyaru bridge girders, &c., as to when they were received from the Dowlaishweram Workshop, when the bill was presented, and what steps were taken to obtain funds for payment of it.

Ordered to be recorded. Captain Mead only claimed that no debit on account of interest on the cost of the Weyaru girder bridge should be allowed against the Dowlaishweram Workshop for the year 1873-74. In future, Local Fund Boards giving such large orders to a self-supporting establishment should be prepared to accompany their order with an advance, or permission to draw on their funds by instalments as the work progresses, precisely as any private individual would have to do ; corresponding allowance being made in the estimates.
