No. 11. Read the following letter from Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort St. George, dated Chepauk, 20th September 1873, No. 2256—77:—

In obedience to the Order of Government, dated 3rd September 1873, No. 1246, I have the honour to report that the materials for the Madura Local Fund Maps were supplied by the Collector of the district. They consist of a map, without signature or date, purporting to show the new taluqs, and nine lists of villages classified according to population.

2. All the thirteen errors of importance noted by the Vice-President of the Local Fund Board are to be found in the map furnished by the Collector, except one, two, and eleven.

3. The Ramghiri Zemindari is omitted from this map and was inserted in the one prepared by the Survey Department on a letter from the Officiating Collector of Madura, to be found in the Board's Proceedings, dated 12th July 1870, No. 4827, in which reference is made to the Ramghiri "Division."

4. The boundaries of the Rettiambady Zemindari are not complete in the map sent from Madura; the compiler in this office is, however, to blame for assuming a dotted line near the Nellatangi Oday to be the wanting boundary-line of the Zemindari.

5. The town of Combai bears the usual pencil mark of the examiner to show its having been printed on a slip of transfer paper and placed in position on the proof sheet for transfer to stone. It is presumed the slip became detached and fell off before printing.

6. I have to represent that this office possesses no knowledge of the unsurveyed districts, except what is furnished by the local officers. With the materials supplied every effort is made to construct a map as accurate as possible; an evidence of this desire is shown in the addition of Ramghiri, although omitted from the map sent us. As it happens the effort was unfortunate.

From W. McQUHAE, Esq., Acting Collector of Madura, to Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, dated Madura, 14th September 1871, No. 1702.

As directed in the Proceedings of the Board, dated 8th ultimo, No. 3337, I have the honour to forward to you the map of this district, with the lists of villages noted below:—

1 District Map in pieces.
1 List of Villages of Madura Taluq.
1 ,, ,, of Melur ,,
1 ,, ,, of Terumungalem Taluq.
1 ,, ,, of Dindigul ,,
1 ,, ,, of Periacolum ,,
1 ,, ,, of Palani ,,
1 ,, ,, of Ramnad Zemindari.
1 ,, ,, of Shevagunga ,,

Proceedings of the Board of Revenue, dated 12th July 1870, No. 4827.

Read the following letter from H. W. BLISS, Esq., Officiating Collector of Madura, to J. GROSE, Esq., Acting Secretary to the Board of Revenue, dated Camp at Periakolam, 23rd May 1870, No. 166.

With reference to the map received with the Board's Proceedings, dated 2nd May, No. 2892, I have the honour to point out that it does not contain the portion of the Manaparai Taluq transferred to this district, and called the Ramghiri Division. If, therefore, there are any survey stations in Ramghiri, I request that I may be informed of their names and position.

2. I have also the honour to point out that the ordinary maps show a great many more hill-stations than are given in the list which accompanied the Proceedings under reference, and to request that I may be informed whether it is desired that they should be identified, repaired, &c.

Only the principal stations are shown in the list and map referred to by the Acting Collector.

2. Complete lists of stations are being prepared in the Office of the Superintendent of Revenue Survey. They will be forwarded to Collectors when received. Meanwhile the Acting Collector should endeavour to ascertain the condition of as many stations as possible, and include them in the Quarterly Return to be submitted, with reference to Board's Proceedings, dated 2nd May 1870, No. 2892.

3. The Superintendent of Revenue Survey will be requested to explain why the Ramghiri Division has been omitted in the map prepared in his office.
