No. 54. Read the following Proceedings of the Board of Revenue, dated 10th September 1873, No. 1792 :—

Read the following letter from H. S. THOMAS, Esq., Collector of South Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mangalore, 12th August 1873, No. 1301 :—

I have the honour to report, for the information of the Board, that no new salt roads were opened in this district during the past official year 1872-73.

2. The roads which were opened in 1871-72 and a few others already existing were kept in good repair from the maintenance allowance of Rupees 243 provided for the same in the Salt Budget of the past official year.

3. The roads opened out in 1871-72, regarding which I have submitted a detailed report in my letter, dated 18th July 1873, No. 1123, require to be bridged at some of the streams by which they are intersected, and one of the old roads to be retraced and improved. I have requested the Officiating District Engineer to furnish me with estimates for this purpose, which will be submitted to the Board for sanction as soon as received.

4. Enclosed is a list of the roads kept in good order.
