Section 10 of Act XXIII. of 1871, as follows :—

"The Local Government may, with the consent of the holder, order the whole or any part of his pension, or grant of money, or land revenue, to be commuted for a lump sum, on such terms as may seem fit.

RESOLUTION.—The Governor-General in Council observes that the only general rules for the commutation of pensions are those in Chapter XIX. of the Civil Pension Code. The policy of the Government of India is opposed to the commutation of pensions, save under very exceptional circumstances; and His Excellency in Council, therefore, desires that Local Governments and Administrations will invariably consult the Government of India before ordering the commutation of pensions otherwise than as provided for in the Civil Pension Code.

2. This Resolution is not to be understood as interfering with the rules which have already been issued with the sanction of the Government of India in regard to the commutation of any special classes of pension in any of the Presidencies or Provinces.

ORDER.—Ordered that a copy of the foregoing Resolution be forwarded to the several Departments of the Government of India, the several Local Governments and Administrations, the Comptroller-General, the several Accountants-General, and the several Deputy Accountants-General in independent charge.
