No. 99. From H. SEWELL, Esq., Acting President of the Municipal Commission, Cuddapah, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Cuddapah, 23rd September 1873, No. 85.

I have the honour to request, at the desire of the Municipal Commissioners, you will be pleased to obtain the services of a third-class Hospital Assistant to the Civil Dispensary, Cuddapah.

2. The Acting Zillah Surgeon reports that the work of the single Hospital Assistant attached to the Civil Dispensary has much increased, and is daily increasing, owing to his attendance being required to a large number of in and out patients now coming forward for relief, in consequence of the liberal treatment afforded therein under the management of the Municipal Commission; and that without an additional hand his services will be quite inadequate to meet the daily demands properly.

3. The Municipal Commissioners agree with the Zillah Surgeon in considering that an additional Hospital Assistant is absolutely required for the Civil Dispensary.

Referred to the Acting Surgeon-General for his remarks.

No. 100. From Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 4th October 1873, No. 378.

I have the honour to re-enclose letter, No. 85, of 23rd September 1873, from the President of the Municipal Commission of Cuddapah.

2. The admissions, both of in and out patients, have of late greatly increased; but, under recent orders of Government, all available Hospital Assistants will be insufficient to complete Imperial wants, and it will not be possible to spare an additional Hospital Assistant for this dispensary. The Municipality may, however, be able to secure the services of a Pensioned Hospital Assistant.
