Proceedings of the Madras Government, Financial Department,
13th October 1873.

No. 102. Read the following Proceedings of the Board of Revenue, dated 13th September 1873, No. 1819:—

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Periacolam, 18th August 1873, No. 261:—

I HAVE the honour to submit a plan, specification report, and estimate for constructing a room at Ramnad, at a cost of Rupees 690, in which dead bodies may be placed and *post mortem* examinations conducted. The Native Surgeon at Ramnad has long complained that bodies are frequently brought to him by the Police for *post mortem* examination, and that there is no place attached to the dispensary in which such examination can be made.

2. It has now been decided to convert the old jail into a dispensary if Government consent, and the proposed dead-house should be erected near the new dispensary as there is vacant ground available there; but the cost should not, I think, be borne by Local Funds, for the building is required for Police purposes and is really unconnected with the dispensary.

No. 103. ORDER THEREON, 13th October 1873, No. 1480.

The Governor in Council desires to know why some portion of the old Ramnad Jail buildings cannot be utilized for this purpose. It is not reasonable that a public building should be made over for a local purpose, and thus additional public expenditure proposed for erecting a building which is certainly to some extent connected with the same purpose.
