Proceedings of the Madras Government, Financial Department,
13th October 1873.

No. 111. Read the following letter from Colonel A. STEWART, R.A., Inspector-General of Ordnance and Magazines, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 3rd October 1873, No. 189-S:—

Stationery Department.

In Order* Government were pleased to rule that Municipal Commissioners in the Provinces should not be provided with stationery from the Stationery Office.

* No. 1225, dated 28th November 1866.

2. I have now before me an indent from the Zillah Surgeon, Madura, for stationery stated to be required for the Civil Dispensary at that station, which dispensary is under the Madura Municipality.

3. I am informed by the Superintendent of Stationery that "there is reason, however, to believe that such articles are obtained against Imperial charges, upon the indents of Deputy Surgeons-General of the Indian Medical Department, for *Civil* Dispensaries (which belong to Municipal Establishments, and are not public institutions)."

4. As the expenditure on this account has increased of late, the Superintendent has stated that he considers "it expedient to refer the same for disposal authoritatively."

5. Indents from Municipalities are always "on payment," and occasionally it is considered advisable to dispose of any surplus stock on payment, not only as a small profit accrues to the State by such sales, but also as it helps to get rid of old or surplus stock with advantage.

6. I, therefore, respectfully suggest that the Order of Government might be so modified as to enable the Superintendent of Stationery to sell to Municipalities such articles indented for as can be well spared, and which it is desirable to part with.

No. 112. ORDER THEREON, 13th October 1873, No. 1485.

The Governor in Council authorizes the Superintendent of Stationery to supply to Municipalities, on payment, articles which can be spared by the Department without inconvenience.
