Proceedings of the Madras Government, Financial Department,
13th October 1873.

No. 113. Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Chittoor, 3rd October 1873, No. 65 :—

I have the honour, with reference to the Order of Government in the Financial Department, No. 1298, dated 12th September 1873, to submit copy of a letter* from the District Engineer, from which the Government will observe that the demand in question was made by that officer after communication with the Controller of Public Works Accounts, by whom the claim had been received from the Military Department.

* Dated 29th September 1873, No. 2097.

From Captain J. PENNYCUICK, R.E., District Engineer, North Arcot, to W. S. WHITESIDE, Esq., Collector of North Arcot, dated Vellore, 29th September 1873, No. 2097.

In reply to your letter, No. 389, of 27th instant, I have the honour to state that the demand in question was made after communication with the Controller of Public Works Accounts, by whom the claim had been received from the Military Department.

2. This office had no practical concern in the matter ; indeed, I expressed to the Controller my opinion that it had better have been settled by the Military Department without the intervention of this office.

No. 114. ORDER THEREON, 13th October 1873, No. 1486.

The Governor in Council considers that the charge in question is in no degree debitable to Local or Municipal Funds, and the reason assigned by the District Engineer for making the demand is not sufficient, as the fact of a demand being made on the Public Works Department is no reason for shifting it elsewhere. The charge must be met in the Public Works Department, and it will be decided in that Department to what head of account it should be debited.

Forwards copy of letter from the District Engineer and observes that the demand in question was made by that Officer after communication with the Controller of Public Works accounts

With advs

Submitted. 13 Oct 1873. No 11580/V

Mr Smith. Enclosed the Chief Secretary will see that Mr Collector of North Arcot submits for sanction the demand of Rs 1,000 for making the Amaun Kulum Bridge. As the Bridge is a District Work, and the Collector is not responsible for the Accounts, I do not think that the Collector should be called upon to explain the delay in submitting the claim. The charge should be borne by the Executive Engineer, Southern Division, to whom the Collector has written on the subject. I will write to the Secretary to Government to that effect. [illegible]
