Proceedings of the Madras Government, Financial Department,
13th October 1873.

No. 117. Read the following Proceedings of the Board of Revenue, dated 7th October 1873, No. 6712 (Miscellaneous) :—

Read the following letter from W. D. HORSLEY, Esq., President of the Local Fund Board, Cuddapah, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddapah, 16th July 1873, No. 245 :—

I have the honour to submit, herewith, copies of Proceedings of Local Funds Board, Cuddapah Circle, dated 12th March and 7th July 1873, sanctioning the additional amount required by the District Engineer for remodelling of the Public Works Department Petty Establishment, and to request that the Board of Revenue will be good enough to sanction the extra monthly cost of Rupees 97, or Rupees 873 from the Road Fund Balance of 1872-73, for the remaining nine months of the current official year 1873-74.

2. The copies of District Engineer's letters, Nos. 527 and 566, dated 3rd and 8th March 1873, have already been sent to the Board of Revenue with this office letter, No. 163, dated 6th June 1873.

PROCEEDINGS of the Local Fund Board, Cuddapah Circle, dated 12th March 1873.

* * *

Paragraph 4. Confirmation given to the proposal of the District Engineer for a remodelling of the Local Fund Establishment. The new officers to be appointed from April 1st and their cost are—

	RS.
4 Local Fund Overseers, at Rupees 50 each per mensem	200
4 Writers, at Rupees 15 each per mensem	60
Total ...	260

The old establishment consisted of two Overseers, at Rupees 75 each, and three Maistries, on Rupees 25 each, the monthly cost being Rupees 225. The Local Fund Board believe that the small monthly increase now sanctioned will improve the system and give better supervision, and awaits the District Engineer's promised explanation regarding the proper allotment of funds for the up-keep of the district roads. There is ample provision in the Budget of 1873-74 for the increase charged which was voted unanimously. The Board, however, believe that eventually one overseer and one writer will be required for each of the seven taluqs that constitute the circle.

Paragraph 8. The District Engineer submitted his proposals for the Establishment of the Department of Public Works under Local Funds. It appears that the present sanctioned strength and monthly charge is—

	RS.
2 Overseers, at 75 Rupees each	150
5 Maistries, at 25 ,, ,, ...	125
2 Lascars, at 6 ,, ,, ...	12
Total ...	287

The proposed strength and cost per mensem is—

				Rs.
4	Overseers, at	75	Rupees each	300
4	Lascars, at	6	,, ,, ...	24
4	Writers, at	15	,, ,, ...	60
			Total ...	384

The Board consider the proposal to be most moderate, but anticipates that an overseer, writer, and lascar will ultimately be required for each of the seven taluqs that compose the circle. The extra monthly cost will be Rupees 97, which the Board sanctions accordingly, and will request the Board of Revenue to confirm.

Submitted for the sanction of Government.

* *Vide* paragraph 7 of Board's Proceedings, dated 7th February 1873, recorded in G.O., Financial Department, 10th June 1873, No. 810.

2. The Local Fund Petty Establishment, attached to the Cuddapah Circle, costs Rupees 287* per month, as hereunder particularized :—

				Rs.
2	Overseers, at	75	Rupees each, including travelling allowance	150
2	Lascars, at	6	,, ,, ...	12
5	Maistries, at	25	,, ,, including travelling allowance	125
			Total ...	287

3. It is now proposed to do away with five Maistries, and to employ the following staff for the efficient supervision of the Local Fund works :—

				Rs.
4	Overseers, at	75	Rupees each, including travelling allowance	300
4	Lascars, at	6	,, ,, ...	24
			Total ...	324

The increase involved by the proposal is only Rupees 37.

4. The question of the employment of writers for Local Fund Overseers has already been decided in G.O., Financial Department, dated 18th June 1873, No. 857, and, therefore, no special orders are now necessary for the entertainment of four writers for the Local Fund Overseers of the Circle.
