Proceedings of the Madras Government, Financial Department,
14th October 1873.

Read the following papers:—

No. 132. Resolution of the Government of India in the Financial Department, dated Simla, 20th September 1873, No. 3053.

Office and house-rents have been made Provincial, but not ground-rent, which is an item of the same kind. Anticipating the concurrence of the Local Governments, the Governor-General in Council is now pleased to resolve that, whenever ground-rent is paid to Government itself, the charge shall cease, but that if there are any charges for ground-rent paid to private persons, they shall be met from the Provincial Funds. His Excellency in Council desires, therefore, that each Local Government and Administration will submit a statement showing any such charges actually incurred in each of the last five years, in order that the amount to be added to the Provincial Assignment on that account may be determined by the Government of India.

ORDER.—Ordered that a copy of the above be forwarded to the Public Works Department for information.

Ordered, also, that the foregoing Resolution be communicated to the several Local Governments and Administrations (Mysore and Hyderabad excepted), and to the Comptroller-General and the several Accountants-General and Deputy Accountants-General in independent charge.
