Proceedings of the Madras Government, Financial Department,
15th October 1873.

No. 145. Read the following Proceedings of the Board of Revenue, dated 8th October 1873, No. 6798 (Miscellaneous):—

Read the following letter from H. W. BLISS, Esq., Acting President of the Local Fund Boards, Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Dindigul, 20th September 1873, No. 112:—

I have the honour to state that, at the recommendation of the Superintendent-General of Vaccination, the Local Fund Board of the Madura Circle have decided, subject to the sanction of the Board of Revenue, to employ six more vaccinators, one first-class and five second-class, and thereby raise the present staff to six first-class and twelve second-class vaccinators. The increase of expenditure for the six months of the present official year from October next will be Rupees 408, and can be met from the balance of the General Fund. I have, therefore, the honour to request sanction for the employment of the additional vaccinators proposed by the Local Fund Board. There can be no doubt, in my opinion, that they are required; for the area of the Circle is very great and vaccination backward, especially in the Zemindaries of Ramnad and Shevagunga, where the establishment formerly employed by the Zemindars are now discontinued.

Submitted for the sanction of Government.
