No. 147. Read the following Proceedings of the Board of Revenue, dated 9th October 1873, No. 6816 (Miscellaneous) :—

Read the following letter from W. McQUHAE, Esq., President of the Local Fund Board, Madura, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Periacolum, 24th May 1873, No. 49.

I have the honour to submit, for sanction, an estimate for Rupees 5,100, for reconstructing the road between Ramnad and Devipatnam, approved of by the Local Fund Board, Madura Circle, at a meeting held on the 17th May. A copy of their Resolution, No. 4, on the subject is enclosed.

2. There is no provision for this work in the current year's budget, and the District Engineer proposes to meet a portion of the cost from the savings on the road between Shevagungah and Mana-Madura (Item No. 9, Part I., of the current year's budget), referred to in paragraph 1 of my letter, No. 34, of the 26th April last. The balance can be provided from the savings of the last year, regarding the appropriation of which I will submit proposals when sending the list of incomplete works.

3. The road in question is a portion of the coast road, and was once in good condition. It is now in a dangerous state, and accidents frequently happen to laden carts. Irrigation channels intersect the road, and offer great impediment to traffic.

The estimate, amounting to Rupees 5,100, for improving the road from Ramnad to Devipatnam (length 8 miles, 5 furlongs, and 81½ yards), is submitted for the sanction of Government.

2. The estimate is made up of the following items:—

	Rs.
1. Earth-work	3,774
2. Levelling	168
3. Masonry works	758
4. Raising gravel platforms	173
5. Superintendence and sundries	227
Total ...	5,100

3. The necessity for the work is explained in paragraph 3 of the President's letter.

4. On the receipt of the sanction of Government to the estimate, the Board will allot the requisite funds.
