No. 184. From the President of the Municipal Commission, Mangalore, to the Chief Secretary to Government, Fort St. George, dated Mangalore, 17th December 1872, No. 104.

I have the honour to bring to the notice of Government the ruinous state of the roof of the travellers' bungalow at Mangalore, which was transferred to the Municipality, by their Order dated 17th September last, with the view of seeking Government aid for its repairs.

2. The necessity for the repairs in question was felt by the Collector so far back as in the year 1869, and he had accordingly procured an estimate in that year, amounting to Rupees 790, for carrying them out, and this estimate is now transferred to the Municipality. It appears that these repairs were postponed from year to year by the Collector for want of money in "The Bungalow Fee Fund," and at this eleventh hour the estimate is handed over to the Commissioners.

3. They do not consider it fair that the Government should saddle them with the full estimated cost, and upon a building delivered to them in an imperfect condition. They are of opinion that the Government should undertake (⅔) two-thirds of the proposed expenditure, leaving (⅓) one-third to be met by the Municipality.

4. If Government will be pleased to accede to the above suggestions of the Commissioners, they will make provision for their portion in the budget to be shortly submitted for the coming year 1873-74.

5. The Commissioners fear that the building has undergone further deterioration in the roofing materials since the above-mentioned estimate was prepared in 1869, and it is not improbable that timber and workmanship are dearer now than they were then. They would, therefore, add Rupees 210 to the original estimate of Rupees 790, taking the probable cost at 1,000 Rupees in gross.

Referred to the Board of Revenue for their remarks.

No. 185. Proceedings of the Board of Revenue, dated 22nd January 1873, No. 427 (Miscellaneous).

Read endorsement of the Chief Secretary to Government, dated 30th December 1872, on letter from the President, Municipal Commission, Mangalore, dated 17th December 1872, No. 104, applying for Government aid in repairing travellers' bungalow at Mangalore.

The question whether the proposed grant-in-aid should be given depends on two considerations, with regard to which the Board have no information, viz., *first*, the ability of Government to find the requisite funds; and, *second*, the state of the finances of the Municipality.

2. All that the Board can say is that the public bungalow is one which ought to be kept up.

To

The Honorable W. Huddleston
Chief Secretary to Govt.
Fort St. George.

Sir;

I have the honor to bring to the notice of Government the annexed note of the Engineer & Surveyor of Mangalore which was transmitted to the Municipality by their letter under date 17th September last with the views of sanctioning Government aid for its repairs.

The necessity for the repairs in question was felt by the Collector of South Canara as in the year 1869 and he had accordingly procured an estimate in that year amounting to Rupees 1900 for carrying them out and this estimate is now transferred to the Municipality. It appears that these repairs were particularly necessary to year by the Collector for rent of money in the Bungalow Fund.
