*Proceedings of the Madras Government, Financial Department,
3rd February 1873.*

No. 1. Proceedings of Government, 3rd February 1873, No. 155.

The Governor in Council learns that cholera has lately manifested itself in a somewhat decided form in the Nellore District, and with reference to G. O., dated 28th October 1872, No. 1474, Financial, he desires that the Inspector-General, Indian Medical Department, in communication with the President of the Madras Municipal Commission, will furnish Government with an exact report of the preparations made in accordance with that order, showing the number of medical officers ordered to be in readiness in case of cholera breaking out in the Presidency Town; the number and sites of the cholera camp hospitals ready; the arrangements for furnishing them with medical men, medicines, hospital comforts, and especially *hospital attendants*; the number and sites of the toll-gate hospital sheds, and arrangements for providing aid, medicines, &c., at these; the orders issued regarding house-to-house visitation; and for minor sanitary arrangements, such as white-washing houses, cleaning latrines, &c.

2. The report should be accompanied by a map showing the sites of the camp hospitals and hospital sheds, and the Government desire that the reply may reach them with the least possible delay.
