Proceedings of the Madras Government, Financial Department.
29th *October* 1873.

No. 237. Read the following letter from J. H. MASTER, Esq., Collector and President of the Municipal Commission, Bellary, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Bellary, 17th October 1873, No. 68 :—

At the request of the Commissioners of the Bellary Municipality, I have the honour to request that the Government will be pleased to reconsider their Order, Financial Department, No. 1311, dated the 16th ultimo, which cancels the grant of Rupees 1,330 for a dead-house at Bellary.

2. I have been requested to explain that the dead-house, which will eventually be necessary in connexion with the new Dispensary, is required solely for Police purposes, and that the Commissioners erected the temporary dead-house near the present building to obviate the inconvenience caused by corpses in Magisterial cases being brought for examinaition, which objectionable practice was strongly commented upon by the Inspector-General, Indian Medical Department, in his Circular Memorandum, No. 2106, of the 5th April 1872, as most seriously affecting the popularity of the institutions.

3. They, therefore, beg that the sum may still be granted.

No. 238. ORDER THEREON, 29th October 1873, No. 1569.

The Governor in Council observes that the grants cancelled were presumed to be for dead-houses other than those required for Police purposes.

2. If a dead-house for the latter purpose is required in Bellary, the Magistrate should make his proposals irrespective of the Municipality.
