Proceedings of the Madras Government, Financial Department,

30th October 1873.

No. 264. Read the following letter from J. HOPE, Esq., Acting Collector of Kurnool, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Kurnool, 24th October 1873, No. 347 :—

In reply to Government Order in the Financial Department, No. 1511, dated 16th instant, I have the honour to state that the road for which the grant was sanctioned was at once put in hand and is now in rapid progress. Though rain has fallen the prices have not reverted to their former level, and it is feared that the effects of the loss of the early crop are still felt by the poorer classes.

2. I am, therefore, of opinion that the work in progress should not be stopped and that the grant should be fully utilized.

3. I may add here that the District Engineer has applied for a further grant of 10,000 Rupees in order that the work may not be left in an incomplete state, and this question will be considered by the Local Fund Board.

No. 265. ORDER THEREON, 30th October 1873, No. 1585.

The grant will be maintained.
