No. 270. Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 23rd October 1873, No. 406 :—

With reference to paragraph 2 of G. O., No. 1431, of 7th October 1873, I have the honour to report to the Right Honourable the Governor in Council that the expenses of the Police Hospital at Anantapore during 1872-73 and those of the Civil Dispensary at the same place during 1872 were, respectively, as follows :—

	RS.	A.	P.
Cost of Police Hospital (including Hospital Assistant's pay) ...	600	0	0
,, of Civil Dispensary	380	6	1

It will thus be seen that the cost of the Police Hospital was considerably in excess of the dispensary charges, but this was entirely due to the inclusion of the Hospital Assistant's pay, which amounts to Rupees 480 per annum.

2. On the other hand, the average daily sick in the Police Hospital numbered four, whereas in the dispensary the average daily sick amounted to two *in* and twenty-two *out*-patients. There can be no doubt, therefore, that the latter charge absorbs the greater share of the Hospital Assistant's attention. Under these circumstances I have the honour to recommend that, in accordance with the Order marginally noted, the Government be charged with one-quarter of the Hospital Assistant's pay, and that they defray the actual charges for toty and contingencies, which in 1872 amounted to Rupees 120.

G. O., No. 1213, of 22nd August 1873.

No. 271. ORDER THEREON, 30th October 1873, No. 1588.

Ordered accordingly that one-fourth of the pay of the Medical Subordinate in charge of the Anantapore Dispensary and Police Hospital, with the charges for contingencies, not exceeding Rupees 120 per annum on account of the latter, be defrayed from Provincial Funds. The balance of the Medical Officer's pay will be borne by the Municipality.

2. It is presumed that the Surgeon-General is arranging to replace the Hospital Assistant by a properly qualified Medical Subordinate.
