Proceedings of the Madras Government, Financial Department,
30th October 1873.

No. 274. Read the following Proceedings of the Board of Revenue, dated 23rd October 1873, No. 7170 (Miscellaneous):—

Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madras, 7th October 1873, No. 2054:—

Referring to Proceedings of the Board of Revenue, Miscellaneous No. 6561, of the 2nd instant, copy of which was communicated to me, I have the honour to point out that it is not in my power to pay the travelling bill referred to therein.

2. The official members of Local Fund Boards are the Inspectors of Schools and their Deputies, and provision is made in the Educational Budget for their travelling expenses, but there is no provision made for Mr. Kristnamurti's travelling.

3. I consider that it is inexpedient to appoint a schoolmaster to a Local Fund Board not sitting at his station as it involves the temporary neglect of his regular duties.

4. I may remark that as a teacher Mr. Kristnamurti holds a very peculiar, I might say an anomalous, position; although he draws his salary from Government the greater portion of his work is in connexion with an aided school. This arrangement has grown out of a concession made to the Narsapore Central School in the time of Mr. George Noble Taylor, which has been left undisturbed; but it seems to raise an additional objection to debiting Government with an extra charge for travelling expenses.

Submitted for the orders of Government with copy of Board's Proceedings, Miscellaneous No. 6561, dated 2nd October 1873.

2. The Head Master of the Narsapore School, who has been appointed a member of the Local Fund Board, Ellore Circle, claimed travelling allowance for attending the meetings, and the Director of Public Instruction refuses to pay the amount, Rupees 26-8-0, from the Educational grant for travelling allowances.

3. Such allowances to other servants of Government are paid from the Budget provision of the department to which they belong, and the Board consider that this course should be followed in the present case. The appointment of Kristnamurti may be objectionable, but he has been named as an official member and is recognized as a Government servant, and the Board see no reason for making a difference in his case. Whether he be allowed to continue a member of the Board or not the charge in the present case should be paid from the Educational grant.

Proceedings of the Board of Revenue, dated 2nd October 1873, No. 6561 (Miscellaneous).

Read the following letter from W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 12th September 1873, No. 71.

With reference to the Proceedings of the Board of the 18th July 1873, No. 1320, I have the honour to refer the Board to my letter of the 16th July, No. 60.

2. In connexion with the subject I beg to send in a bill for Rupees 26-8-0 received from the Head Master of the Central School at Narsapore, who is a member of the Ellore Circle Board, for the expenses incurred by him in travelling to Rajahmundry to attend the general meeting of the two Boards held on the 14th and 15th May 1873. The rate per diem charged in the bill is the one allowed to officers of his salary.

3. The Board are aware that the official members draw their travelling allowance from the department to which they belong, but I do not suppose the schoolmaster can draw any from his department. He is an official member, and cannot, as such, come within the scope of my letter of the 16th July last, No. 60. I do not think it right that batta should be paid to any member, official or non-official, from the Local Funds. The officials have been appointed members to represent the Government in its various departments, and I have no doubt that it follows that the Government should pay the batta due to official members from its own funds; I have, therefore, the honour to request that the accompanying bill may be passed for Rupees 26-8-0 and the necessary authority may be granted for the disbursement of batta to Kristnamurti Garu from the Provincial Funds whenever he may be out on duty connected with the Local Funds.

The Board are of opinion that, like other official members, the Head Master should get batta for attending the meetings of Local Fund Boards, and that the charge belongs to the Educational grant, in which the Board presume there is ample provision for travelling allowances.

No. 275. ORDER THEREON, 30th October 1873, No. 1590.
