Proceedings of the Madras Government, Financial Department,
4th November 1873.

No. 5. Read the following letter from J. F. PRICE, Esq., Acting President of the Municipal Commission, Salem, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Salem, 16th October 1873, No. 92:—

I have the honour to inform you that several representations having been personally made to the Commissioners regarding the careless driving by young boys of carts and native carriages within the municipal limits, they have considered it advisable to submit the enclosed bye-law for the sanction of Government.

2. The Commissioners, when framing it, had in view Section 83 of the Indian Penal Code. Children under 12 years of age are frequently to be seen driving vehicles about the town, and they do so in so unskilful a manner as to render it highly desirable that a stop should be put to the practice.

EXTRACT from the Proceedings of the Municipal Commissioners at a meeting held on the 26th August 1873.

Resolved that the following bye-law be adopted and submitted for the approval of Government:—

"No carriage or cart plying for hire or holding a license within the municipal limits shall be driven by a person under the age of 12 years."

(A true Extract.)

(Signed) R. E. PEARSE,

No. 6. ORDER THEREON, 4th November 1873, No. 1610.

The Governor in Council sanctions the proposed bye-law and directs that it be published in the District Gazette.
