Proceedings of the Madras Government, Financial Department,

8th November 1873.

No. 25. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 11th October 1873, No. 2095 :—

I have the honour to submit the list called for in G. O., Financial Department, No. 1137, of the 13th August last.

No. 26. ORDER THEREON, 8th November 1873, No. 1624.

Ordered that the statement now forwarded be returned for revision, as it appears that some of the entries in Column 4 include grants drawn in arrears on account of previous years. Such entries may not be incompatible with the wording of G. O., dated 13th August 1873, No. 1137, but it is obvious that a statement so prepared cannot supply the information which the Government desired. The object is to enable the Government to compute accurately future lump grants, and the "Remark" Column of the statement should contain any explanation necessary to elucidate the figures.

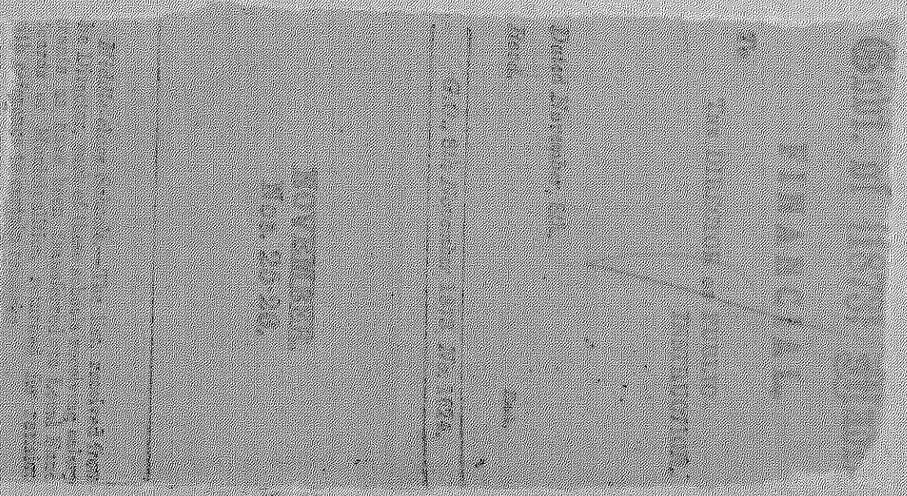

2. The revised statement should also include every Local Fund School of the middle class drawing a salary grant from Government before the issue of G. O., dated 13th August 1873, No. 1137. It is observed that the present statement does not show the Kundapur School, to which a salary grant was sanctioned in G. O., dated 28th February 1872, No. 196.

(True Extract.)

Chief Secretary.

To the Director of Public Instruction, with the statement.
