Proceedings of the Madras Government, Financial Department,
10th November 1873.

No. 61. Read the following letter from Surgeon W. R. CORNISH, F.R.C.S.I., Sanitary Commissioner for Madras, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George (through the Accountant-General), dated Madras, 28th October 1873, No. 1753 :—

I have the honour to submit, herewith, in duplicate, the Budget Estimate of my office for 1874-75.

2. The estimates for 1874-75 have been calculated in accordance with G.O., No. 1649, dated 9th December 1872, Financial Department, and the amount is the same as the estimates for 1873-74.

3. The actuals for 1872-73 amounted to Rupees 31,877-2-0, being Rupees 2,122-14-0 less than the amount sanctioned by Government. The difference is chiefly in the item of travelling allowance. Only Rupees 1,059 were expended on this account during the year 1872-73, and this is owing to my having been prevented from making tours in the cold season, in consequence of undertaking the duties of the Census Office. This interruption to my normal duties will, however, not occur again.

No. 62. ORDER THEREON, 10th November 1873, No. 1653.

The Budget Estimate of Charges of the Sanitary Commissioner for the year 1874-75 is of the same amount* as the grant for the current year, but exceeds the actuals† for 1872-73 by Rupees 2,123.

* Rupees 34,000.

† Rupees 31,877.

2. The Sanitary Commissioner explains that the difference is chiefly in the item of travelling allowance. The grant for the purpose is Rupees 2,500, while only Rupees 1,059 were expended during 1872-73, the Sanitary Commissioner having been prevented from making his usual tours in the cold season, consequent on the duties of the Census Office having devolved upon him. The allotment of Rupees 2,500 in the estimate for 1874-75 will be allowed to stand.

3. No explanation has been afforded as to the necessity for providing Rupees 1,000 for "Service Postage Labels" when the actuals did not exceed Rupees 447. The sum of Rupees 1,000 was fixed in G.O., dated the 9th December 1872, No. 1649, in the absence of any data, but data being now available there is no necessity for providing a larger amount in 1874-75 than is found to be absolutely necessary. The allotment will be reduced to Rupees 500, and the charge of Rupees 100 for repair and purchase of office furniture struck out, as the Government do not consider the provision essential in 1874-75 in addition to the amount‡ granted for 1873-74.

‡ Rupees 100.

4. The estimate will be revised accordingly, and the charges for 1874-75 fixed at Rupees 33,400.
