Book Department.

I have the honour to state that the Collectors of Bellary, Madura, and Malabar report that the delay in preparing the statements for the year 1871-72, called for in this Office Circular, No. 2871, dated the 5th July last, with reference to G.O., No. 743, 28th May 1873, Financial Department, is caused by the Vice-Presidents of three Municipalities in the first district, of two in the second, and of Tellicherry in the third, not furnishing the returns required of them though repeatedly called on to do so. The accounts adverted to in the Financial Resolution, republished in the Government Order quoted above, are urgently required by the Government of India. I, therefore, request that Government will be pleased to issue orders to all Presidents of Municipalities to comply promptly with the requisitions made on them for statements and information connected with accounts.

Communicated to the Presidents of the Bellary, Madura, and Malabar Municipalities, with reference to G.O., dated 28th May 1873, No. 743, and with the request that they will take the necessary steps to furnish the Accountant-General, with as little delay as possible, with the returns urgently required by the Government of India.
