Proceedings of the Madras Government, Financial Department,

11th November 1873.

No. 79. Read the following letter from T. M. BUSTEED, Esq., C. RUNGANADA SASTRY, and T. MUTTUSAMI AIYER, Judges of the Court of Small Causes, Madras, to the Hon. W. H. IDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 4th November 1873, No. 256 :—

We have the honour to acknowledge the receipt of the Budget Estimate in duplicate, for the year 1874-75.

No. 80. ORDER THEREON, 11th November 1873, No. 1663.

The Judges of the Court of Small Causes, Madras, submit the Budget Estimate of Receipts and Charges for the year 1874-75.

2. The Receipts are estimated at Rupees 96,731, which exceed the actual receipts in 1872-73 by Rupees 2,088, and the estimated receipts in 1873-74 by Rupees 2,424. The estimate is, it is observed, based on the average actual receipts during the past three years, and is passed.

3. The Charges are estimated at Rupees 82,000, the amount of the grant for the current year, and exceed the actuals* for 1872-73 by Rupees 1,288.

* Rupees 80,712.

4. Eleven out of the fourteen items included in the estimate appertain to fixed charges, and admit of no alteration.

† Rupees 140.

‡ Do. 106.

§ Do. 184.

The charge† for Contingencies exceeds the grant‡ for 1873-74 by Rupees 34, but it is Rupees 44 less than the actual§ for 1872-73. A grant of Rupees 150 was

made for the purchase and repair of furniture during the current year, and it is not apparent under what circumstance a further provision of Rupees 116 has been made in the estimate for 1874-75 for the same purpose. The Judges should have explained the necessity for this further provision, or have quoted any Order of Government which authorized its inclusion. The same remarks are applicable to the provision of Rupees 120 for ordinary broad cloth for table covers, &c., &c.

|| Rupees 120.

The Government see no reason for making it in addition to the grant|| given for the purpose this year.

5. Excluding the items of Rupees 116 and Rupees 120 from the estimate, the charges will be reduced to Rupees 81,762, but the Governor in Council directs that it be fixed at Rupees 81,800.

-mated receipts in 1873-74
by Rs 2,434. The esti-
-mate is, it is observed,
based on the average
actual receipts during
the past three years,
and is passed.

3. The charges are
estimated at Rs 82,000,
the amount of the grant
for the current year, and
exceed the actuals for

-cluded in the Estimate

the same purpose. The

any Order of Govt which
authorized its inclusion.
The same remarks are
applicable to the provision

purpose this year.
