I have the honour to request sanction for the Local Fund Board of the Shermadevi Circle assuming charge of the Choultries at Uramankolum, Kalakad, and Attiuttu, as per resolution enclosed. These Choultries have no endowments attached.

2. On receipt of sanction the usual notice will be published in the District Gazette.

EXTRACT from the Proceedings of the Local Fund Board, Shermadevi Circle, held at Nannagaram on 25th June 1873.

Resolution 11. Read letter from the President, dated 22nd May 1873, No. 606.

Resolved that the Chuttrums at (1) Uramankolum (Nanguneri Taluq), (2) Kalakad (Nanguneri Taluq), (3) Attiuttu (Ambasamudram Taluq), be taken under the management of the Local Fund Board, and that application be made to meet the expenditure from the Endowment Fund Reserve.

(Signed) F. BRANDT,
Vice President.

The Board have nothing before them to show that these Choultries belong to Government. The President will be good enough to report on this point and refer to their number in the printed list.

(Signed) J. GROSE,
Secretary.

Read also letter from R. K. PUCKLE, Esq., President of the Local Fund Boards, Tinnevelly District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Nannagaram, 11th October 1873, No. 536.

I have the honour to furnish the information called for in Board's Miscellaneous Proceedings, No. 4977, dated 8th August last.

2. In Proceedings, No. 633, dated 27th January 1868, the Board sanctioned an outlay of 938 Rupees on certain mantapams and wells on the Tinnevelly and Tenkasi Road. The Attiuttu Mantapam (not included in the List of Chuttrums) was one of these, and, at a small outlay, a ruined building was converted into a very neat little halting place, surrounded by a garden with a good well near.

3. The Local Fund Road to Surandei lately sanctioned branches off from the main line at this spot, and Attiuttu already much frequented will be greatly resorted to shortly. The Local Fund Board are anxious to take over the building and to add a small bandypettah for the greater convenience of the travellers who halt at the place.

4. A grant-in-aid towards the Kalakad Chuttrum (not included in the list) on the road from Ambasamudram to Panagudi was sanctioned in Board's Proceedings, No. 414, dated 21st January 1870, and the building has been neatly finished. The villagers, however, who found the greater part of the funds, are unable to provide a proper establishment, and request that the building may be taken over by the Local Fund Board.

5. The Uramankolum Chuttrum (No. 107 on the list) is in the south of the Nanguneri Taluq, not very far from Radapuram. The building belongs to Government, but was not transferred with other Chuttrums to the management of the Local Fund Board. It has a small endowment of 76 Rupees per annum.

6. As the Shermadevi Local Fund Board are willing to take over these buildings, and have ample funds for their maintenance, I request that the sanction sought may be granted.

From this letter it appears that the Attiuttu Mantapam and the Uramankolum Chuttrum belong to Government and the Kalakad Chuttrum to the Kalakad villagers.

2. The Board accordingly request Government to sanction a notification under Section 10, Act IV. of 1871, to the effect that the Governor in Council intends to transfer the first two buildings to the Local Fund Board, and to authorize the Board of Revenue, under Section 11, to make over to the Local Fund Board the management and superintendence of all three Chuttrums.
