Proceedings of the Madras Government, Financial Department,
20th November 1873.

No. 122. Read the following Proceedings of the Government of India in the Financial Department, dated Simla, 31st October 1873, No. 4077 :—

Read endorsement, No. 2958, dated 13th September 1873, forwarding to the several Departments of the Government of India copy of a despatch from the Secretary of State for India, No. 285, dated 3rd July last.

Despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor-General of India in Council, dated India Office, London, 3rd July 1873, No. 285 (Financial).

With reference to paragraph 4 of my Financial Despatch, dated the 23rd January 1873, No. 13, in which it was requested that, in future, all indents and letters calling for supplies of any description might clearly specify the head of service under which the cost should be charged, I have to draw your attention to the fact that in a very large proportion of the requisitions received within the last two months that request has not been complied with, and, as it is most important that it should be strictly observed, in order to ensure expenditure in England and in India for similar services being charged under the same head of account, I have to request that you will issue such instructions as may be necessary for that purpose.

ORDER.—Ordered that a copy of the same despatch be also furnished to the Governments of Bengal, Bombay, and Madras for information and guidance in continuation of this Department's communication, No. 2095, dated the 31st March *1873*.
