MADRAS RECORD OFFICE.

Government of Madras.

PUBLIC DEPARTMENT.

G.O. No. 1033 Press Mis.
133-134

Dated 20 11 1942

Not to be folded or roughly handled

No. 133. Read the following letter from Surgeon W. MACRAE, M.D., Acting Chemical Examiner, in charge of the Assay Department, Madras, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Medical College, H. M.'s Assay Office, Madras, 11th November 1873, No. 10:—

I have the honour to report that twenty-four retorts, with receivers and adapters were procured* for the use of the Acid Manufactory here, since abolished. The fourteen cases containing the above, for want of space here, were kept for this Department in one of the rooms of the Medical Storekeeper's Department in the late Mint, who declines to keep them any longer; consequently, and with reference to the enclosed letter,† I have the honour to request the permission of Government to make over twelve sets as required to the Assay Master, Calcutta, and to dispose of the remaining twelve by public sale.

* In 1871.

† From Assay Master, Calcutta, dated 6th November 1873.

From Surgeon-Major H. E. BUSTEED, M.D., Assay Master, Calcutta, to Surgeon W. MACRAE, M.B., Acting Chemical Examiner, in charge of the Assay Office, Madras, dated Calcutta, 6th November 1873, No. 55.

In answer to your letter of 24th ultimo, I have the honour to intimate that this office would be glad to get, say, twelve of the retorts mentiond by you. These (carefully packed with their receivers and adapters) may be forwarded to us by any suitable opportunity that offers.

No. 134. ORDER THEREON, 20th November 1873, No. 1696.

Under the circumstances stated by the Acting Chemical Examiner, the Governor in Council sanctions the transfer to the Calcutta Mint of twelve retorts with receivers and adapters. They will be packed up carefully and despatched by the first opportunity.

2. Before disposing of the remaining twelve retorts, the Acting Chemical Examiner will ascertain from the Mint Master at Bombay whether they are likely to be required for the Mint there, and from the Medical and Educational Departments whether they can find any use for them.

(True Extract.)

Chief Secretary.

To the Acting Chemical Examiner, in charge of Assay Department.

Carleton Point
No 53. November 5th 1873.

Sir

I am directed by the Minister of Marine and Fisheries to transmit herewith for your information a copy of a Report of a Committee of the Privy Council, approved by His Excellency the Governor General on the 24th October, 1873, and to request that the terms of the Contract entered into with you for the Light House at Carleton Point, may be carried out in accordance therewith.

I am also directed to request that you will report to this Department, on the 12th of the present month, the number of days during which the Light House has been in operation, and the number of days during which the Fog Bell has been struck, from the 1st of October, 1872, to the 30th September, 1873, inclusive.

These returns, carefully furnished, with their proofs and vouchers, may be forwarded to me by any favorable opportunity that offers.

I have the honor to be
Sir
Your obt. Servant
H. L. Routhier
Deputy Minister
