Read the following letter from J. R. DANIEL, Esq., Acting President of the Local Fund Board, Vizagapatam Circle, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Vizagapatam, 23rd October 1873, No. 1587:—

I have the honour to inform you that the Local Fund Board of the Vizagapatam Circle have resolved to establish ten Elementary Vernacular Schools for the present in the following villages:—

Names of Villages.	Names of Taluqs.
1. Lakkavarapucota	Srungavarapucota.

2. Mr. Willock was entrusted with the duty of making a report upon the best means of establishing Unions, but before the submission of the report the House-tax and consequently the scheme for establishing Unions was abandoned.

3. The villages where it is now proposed to establish schools are those in which it was found that they were most urgently required.

4. Mr. Bowers, the Inspector of Schools, has favoured the Board with his opinion regarding the best means of establishing them and the probable cost.

5. The teaching being elementary and confined to the vernacular Rupees 12 is considered sufficient pay for the master who would be of the fifth-grade Teacher; Rupees 3 per mensem will be necessary for a menial servant; and Rupee 1 for Contingencies.

Rupees 100 has been allotted for the erection of a suitable building for a school-house; Rupees 40 for furniture; and Rupees 10 for maps.

6. These estimates have been accepted by the Local Fund Board, and provision made accordingly in the Budget:—

7. Mr. Bowers strongly pressed upon the Board the advisability of charging fees for attendance, and proposed that the fees should be—

One Anna for first class.
Two Annas for second class.
Four Annas for third class.

The Board, admitting the principle that education should not be entirely free, were of opinion that the fees suggested were too high and would have the effect of deterring scholars from availing themselves of the advantages of the school, and, therefore, determined to reduce them as under :—

First Class one Anna.
Second Class one and half Annas.
Third Class two Annas.

8. Provision has been made in the Budget for Rupees 3,420, the estimated cost of establishing these ten schools, and I hope that, if it meets with the approval of the Board of Revenue, they will recommend to the Government their establishment.

9. The Narsipatam Local Fund Board recommended that Elementary Schools be established in the following villages :—
