No. 144. Read the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Masulipatam, 10th November 1873, No. 1669 :—

The Local Fund Board, Masulipatam, are desirous of improving the Bezwada Hospital; it has been decided by Major Hasted and myself that the most convenient way of so doing will be by enlarging the present building, as it is conveniently situated near the quarry, where accidents are not, I am sorry to say, uncommon, and as it is on the outskirts of the town and easy of access to the people.

2. The ground that would be wanted is in the occupation of three people who will have to be provided with fresh sites; and, as land is very difficult to obtain, I have the honour to request that Government will make over to the Local Fund Board, for the sum of Rupees 800, its value as estimated by the Department of Public Works, the site of the District Munsif's Cutcherry, which will, in a few months, be vacated by the Munsif on his taking possession of the new Court that is now nearly completed.

3. The Local Fund Board will then be able to allot them fresh building sites, and, with some other small compensation, I anticipate they will give no trouble. They have petitioned Government in No. 2328 of 1873 (Financial Department).

No. 145. ORDER THEREON, 21st November 1873, No. 1705.

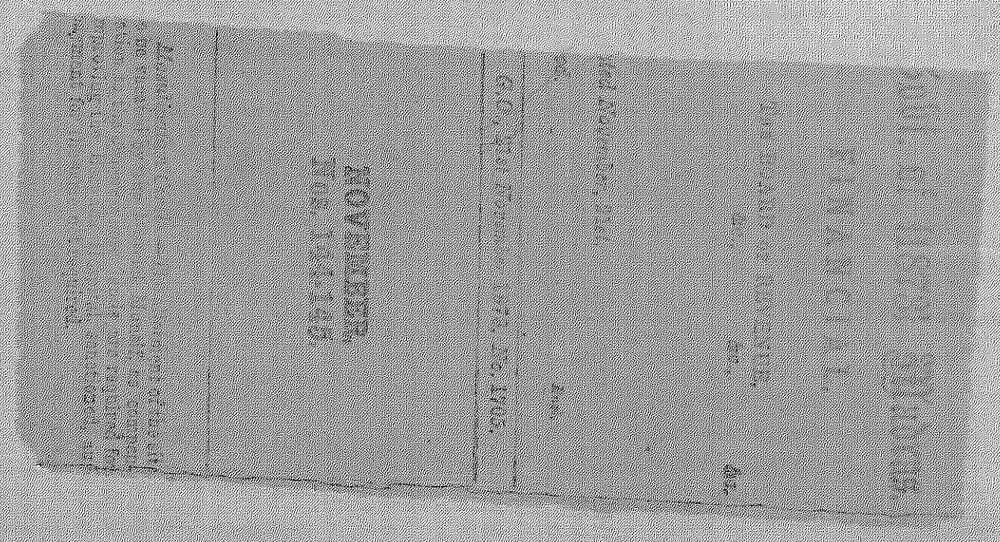

The proposed appropriation of the site to be vacated by the District Munsif is sanctioned under the circumstances stated. The Government will not require payment to be made for it by the Local Fund Board.
