(Signed) T. MOSS,
Offg. Controller of Public Works Accounts.

To the Secretary to Government, Public Works Department, Fort St. George.

Transferred to the Financial Department with remark that the documents in question would not be received as satisfactory completion-certificates for work carried out by any officer or subordinate of the Public Works Department, and that it is desirable that they should be further supported by resolution of the Local Fund Board accepting the boats and ferry-boats in question as being worth the money paid for them.

COONOOR,

No. 25. ORDER THEREON, 3rd December 1873, No. 1754.

The Governor in Council considers that the completion-certificates may on this occasion be accepted, the Collector who is President of the Local Fund Boards having stated that the Board, including the District Engineer, accepted the boats at a reduction of contract price. The system of supply seems to have been objectionably lax, and the Collector should take precautions against a recurrence ofsuch loose work.
