Audit Department

I have the honour to state that I find it absolutely necessary, for the preparation of the return required by the House of Commons specified in the Government of India's Order of the 27th ultimo, No. 3719, communicated with the Proceedings of the Madras Government, No. 1632, dated 8th November 1873, to employ five temporary hands till the work is completed. I require this number with a view to complete the return before the Christmas holidays, as the House of Commons requires it as early as possible. The work will be assigned to Assistants of some experience in the office, and the temporary hands will take up the current work of those Assistants.

2. I request that the Government will be pleased to sanction the entertainment of these temporary hands from this date on a salary of Rupees 25 per month. The men have been entertained and the work put in hand, as the time is limited, in anticipation of Government sanction.

3. I would add that the Compiler of Post Office Accounts has also requested this office to furnish him with the return in question for the Postal Department for 1856-57, as the Department was then under the Local Government.

No. 36. ORDER THEREON, 4th December 1873, No. 1761.
