Proceedings of the Madras Government, Financial Department, 4th December 1873.

No. 42. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 7th November 1873, No. 2254:—

Adverting to G.O., No. 884, dated the 24th June 1873, I have the honour to point out that the sums specified therein, and taken from the Education Reports of 1870-71 and 1871-72, represent merely the actual sums drawn in those years, and not the sums sanctioned as grants. The Education Reports are intended to show actual expenses incurred, consequently returns are made by Managers and Inspectors of Schools of only such sums as have been drawn by the former. It often happens that, from changes in masterships and other causes, grants sanctioned are not availed of to their full extent, and it is in this way that the difference between the sums drawn in 1870-71 and 1871-72 and that drawn in 1872-73 has arisen. The grants sanctioned and in force from 1870-71 for the Salem Boys' School, the Salem Girls' School, and the Shevapett School are respectively Rupees 39-8-0, Rupees 14, and Rupees 27, which totalled make Rupees 80-8-0 per month and Rupees 966 for one year, or Annas 13-11 more than the amount drawn in 1872-73 according to Mr. Price's letter. The explanation will be found in the fact that in June and July the full grant of Rupees 80-8-0 was not drawn.

2. I regret that this reply has been so much delayed. The matter was overlooked in my office.

No. 43. ORDER THEREON, 4th December 1873, No. 1764.

The explanation of the Director of Public Instruction is satisfactory.

SIR,

Adverting to Government Order, No. 884, dated the 24th June 1873, I have the honor to point out that the sums specified therein, and taken from the Education Reports of 1870-71 and 1871-72, represent merely the actual sums drawn in those years and not the sums sanctioned as grants. The Education Reports are intended to show actual expenses incurred: consequently Returns are made by Managers and Inspectors of Schools of only such sums as have been drawn by the farmers. It often happens that from changes in masterships and other causes, grants sanctioned are not availed of to their full extent, and it is in this way that the difference between the sums drawn in 1870-71 and 1871-72 and that drawn in 1872-73 has arisen. The grants sanctioned, and in force from 1870-71 for the Salem Boys' School, the Salem Girls' School and the Shenapett School are respectively Rupees 39-8—a,
