Proceedings of the Madras Government, Financial Department, 6th December 1873.

Read Budget Estimate of the Inspector-General of Police for 1874-75.

No. 55. ORDER THEREON, 6th December 1873, No. 1770.

The Budget Estimate of the Police Force for 1874-75 exhibits the probable receipts at Rupees 22,010, and the charges at Rupees 36,40,757.

2. From the receipts has been excluded the amount likely to be derived from "Provincial receipts," which in 1872-73 amounted to Rupees 3,186. The aggregate amount of receipts credited under "Police" during that year was Rupees 28,708, as per accounts rendered by the Accountant-General, and not Rupees 28,646 as entered in the estimate. The Governor in Council considers that the estimate may be safely fixed at Rupees 28,000.

3. The charges are divided under the following heads:—

	RS.
1. Salaries and allowances (of officers)	4,06,800
2. Establishment	31,781
3. Rural and Town Executive Police Force	27,79,614
4. Village Police	16,152
5. Miscellaneous	4,06,410

	2,57,465	

	RS.
Estimate	36,40,757
	* 36,01,500
	39,257

4. Under all heads, the estimate exceeds the actuals for 1872-73, the aggregate excess being Rupees 2,57,465 over actuals, and Rupees 39,257 over the grant* for the current year.

5. The increase in the estimate over actuals under the first, second, and fourth heads is small, and is passed.

6. Under the third head "Rural and Town Executive Police Force," the increase is no less than Rupees 2,11,197.

7. Under "Miscellaneous," the Government note that there is a reduction, as compared with the estimate for 1873-74, in the provision for (1) clothing, for (2) arms and accoutrements, and for (3) Postage of Rupees 99,000. The estimated charges for (*a*) House-rent and Contingencies and for (*b*) Medical Establishment have been increased by Rupees 13,080. The increase under the first head is admitted; as regards that under the second, the Surgeon-General, Indian Medical Department, will be called upon for explanation. He will at the same time state why he has not submitted the estimate for the Medical Establishment through the Inspector-General of Police, as required in paragraph 8 of G. O., dated the 7th December 1872, No. 1634.

1.	Rupees 44,000

Proceedings of the Madras Government, Financial Department, 6th December 1873.

8. The expenditure on account of the Police Force during three years has been as follows, viz. :—

	Rs.
In 1871-72	33,94,579
1872-73	33,83,739
1873-74 (based on the actuals for five months) ...	33,37,785

Assuming that the expenditure in 1873-74 rises to even Rupees 34,00,000, the average for three years will be Rupees 33,92,272, or Rupees 2,48,485 less than the estimate* for 1874-75.

* Rupees ...	36,40,757.
Average ...	33,92,272.
	2,48,485.

9. The Governor in Council resolves, therefore, to fix the allotment for the Police Force for 1874-75 at Rupees 34,50,000, which amount will doubtless be ample to cover all charges that will be incurred during that year.
