Proceedings of the Madras Government, Financial Department, 9th December 1873.

No. 81. Read the following Proceedings of the Board of Revenue, dated 14th November 1873, No. 7729 (Miscellaneous):—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Bellary, 1st November 1873, No. 390:—

In the Local Fund Budget of the Bellary Circle for 1873-74 provision has been made on account of the salary of the Circle Board's clerk at the increased rate of 35 Rupees per mensem, but, until the detailed sanctioned budget was received, the clerk was paid his salary at the usual rate of 20 Rupees per mensem; the difference was subsequently drawn for him on a supplemental bill presented by the Vice-President, at the rate of 15 Rupees more per mensem, from April to August 1873.

2. The Accountant-General now objects to pass this payment, on the ground that the increase was not sanctioned by Government. It is true that in their Order, No. 728-A, dated 24th May 1873, the Government have not expressly sanctioned the increase of salary, but still it can be implied from the fact of their having retained the budget provision as recommended by the Board of Revenue to admit of the clerk's salary at the increased rate of 35 Rupees per mensem.

3. I take this opportunity of bringing to the notice of the Board of Revenue that the pay of the clerks employed in the offices of the other two Circle Boards has also been paid from April last at the increased rates marginally noted, and the Accountant-General is sure to raise similar objections in passing the same.

Gooty Local Fund Board's clerk at 25 Rupees per mensem.
Pennaconda Local Fund Board's clerk at 30 Rupees per mensem.

4. I have the honour, therefore, to request that you will be good enough to obtain the sanction of Government for the increase of pay to the clerks in question, so as to enable the Accountant-General to withdraw his objection.

The specific sanction of Government to the increased rates of pay which are objected to by the Accountant-General will be solicited.

Secretary.

No. 82. ORDER THEREON, 9th December 1873, No. 1791.

Sanctioned accordingly in the case of the Bellary and Gooty Circles.

2. In paragraph 106 of their Proceedings, dated 28th February 1873, No. 291, the Board of Revenue allowed the allotment to stand in the case of Pennaconda, but called for further explanation. The final opinion of the Board does not appear to have been reported to Government.
